

Children & Youth Month

# Little Warriors Project

April is Children & Youth Month. This year, a request has been made for Auxiliary members to donate items to the **Landstuhl Regional Medical Center Pediatric Unit** in Germany. Their Pediatric/Pregnancy Unit is the only high risk unit in Europe and delivers more than 100 babies a month. They are in need of supplies and have asked for our help. Landstuhl Hospital is our connection to our service men and women and it is our honor and responsibility to be able to help when a request is received, especially for these "littlest warriors".

## Items Needed:

Newborn size "onesies"

Receiving blankets

Hand mittens

Hats

Booties

(Any clothing for infants & small children)

Children's books

*\*monetary donations other than for postage are not requested*

Please bring your donations to the April WCALA meeting, where they will be collected, boxed and shipped to Landstuhl. Thank you very much for your support.
